# DRIFTING.

If you are allowing catarrh to eat its way through your body, you are like the man in the boat-drifting upon a long river which ends with destruction.

Catarrh is a systemic disease. Contrary to general opinion, it does not confine itself to the head and throat. It attacks the stomach, the liver, the bowels, the lungs, -any organ of the body. The only way to cure it is to cleanse the whole system by a thorough use of

# PE-RU-NA-

the well-known catarrh cure.

There are hundreds of people dosing themselves for this, that and the other, whose sole trouble is a catarrhal condition of one or more organs of their body. If these people will take Pe-ru-na it will make them well. It will keep the grip away, it will prevent colds, and all of the so-called winter diseases, which merely mean that the mucous membrane of the entire body needs toning up

Pe-ru-na is the medicine to do it. There are no substitutes. Pe-ru-na is the only systemic catarrh remedy yet advised.

"Lectures on Chronic Catarrh" is a complete treatise on catarrhal diseases. It treats of every phase and variety of summer catarrh, winter catarrh, and the catarrhal affections peculiar to women. This book contains ninety-five pages, is instructively illustrated, and will be found very useful in the family. Sent free to any address by The Peruna Medicine Co., Columbus, Ohio.
